

Corpus Christi Parish was established on May 1, 1950, under the leadership of its founding pastor Fr. F. Regis St. James. The construction of both the church and rectory commenced in 1951. The church was ready for Christmas Midnight Mass, marking the beginning of a long-standing spiritual home for parishioners of Corpus Christi. Fr. Terry Sawchuk and your Pastoral Council invite everyone to attend these events throughout the year. Let's celebrate 75 years together as a faith family.
