## World Day for Grandparents and the Elderly

Sunday, July 26, 2026. Since its creation in 2021, the World Day for Grandparents and the Elderly has grown into a cherished tradition that teaches our communities to truly value the elderly, not through occasional gestures, but as a permanent, central part of our lives. This celebration helps us appreciate older generations as vital keepers of our history, witnesses to our faith, and teachers for our lives. The World Day for Grandparents and the Elderly is celebrated annually on the fourth Sunday in July, close to the liturgical memorial of Saints Joachim and Anne, the grandparents of Jesus.
